Remote Locations

Visiting Flinders and the Furneaux Islands can bring a true taste of the exotic, even when you haven't left the country. These islands are exciting places to explore and offer ample opportunity for adventure, whether wild or mild you'll love the Furneaux Group. There are many nooks and crannies to explore, wildlife to experience, wrecks to dive, and a host of other activities to make your holiday special.

The one thing that can ruin a holiday is poor planning. Please be aware that as a remote location, and as a region with a small population, the Furneaux group may not have everything you want when you want it.

Photo by: Jana Harper

Whether you want to camp at one of our magnificent beaches, look after yourself in one of our self-contained cottages, or completely relax and have someone else do all the cooking, you need to know the opening times for businesses on the Island.

Please Note:

If you are arriving on a **Sunday**, only the Lady Barron Store, Tav Shack and the Furneaux Tavern in Lady Barron are open, and the Interstate Hotel in Whitemark. The Lady Barron Store does have most things but the IGA in Whitemark is closed. If you are on an afternoon flight you can phone a couple of days ahead and have groceries delivered to your accommodation or waiting for you at the airport.

There is no fuel, food, or drinks available to the north of the Island so please ensure you have enough provisions if you are visiting or staying north of Whitemark.
